How to Earn Points

Here are examples of what children need to do to check off each square on their chart and get a point for that square:

Morning Point*:

- Make bed
- Get dressed
- Be at breakfast table by 7:30am
- Brush teeth
- Lunch in backpack
- In car, totally ready to go by 8:05am

Job Point:

- Do assigned kitchen job (dishes, dishwasher, wipe down counters, or sweep...)
- Ensure assigned “zone” of the house is clean

Homework Point: Do all assigned homework and have mom or dad check it plus read 30 minutes and do quick writing assignment (journal writing or writing based on a writing prompt)

Bedtime Point:

- Pjs on; clothes put away or in hamper
- Go to the bathroom
- Brush teeth; wash hands and face
- Room picked up/straightened, nothing on the floor, toys put away, clothes put away
- Say prayers
- Set out clothes for tomorrow (including socks, shoes placed by door)

Bonus Point: Ask mom or dad for something extra to do (a job around the house, a letter to a grandparent, extra reading, etc.) or volunteer to do something that you’ve noticed needs to be done.

Memorizing Points:

Memorize quote of the week – 2 pts

Memorize scripture of the week – 2 pts

** Children don't get the point unless you do everything for each point (or you can choose to be somewhat lenient if they have done the vast majority of what is required for the point). They can make up for missing a point by doing a bonus point and they can get extra points through memorizing.*

Points can be worth \$.25 each for a total of \$7.50/week

If a child gets over 25 points, they can double their money (for \$15/week)
